Bill's Top Priority?
Inspiring Americans to talk about our purpose as a nation. We used to pull together to achieve enormous goals, like winning World War II, and defeating communism.
 A nation such as ours, born of revolution and sustained through sacrifice, must find its mission, so we can put the world's most productive people to work on great endeavors.

-  **Pro-choice, pro-labor, pro-environment**
-  **Pro Single payer?** *Yep.*
-  **Champion our ports?** *I will.*
-  **Restore Voting Rights Act?** *We must.*
-  **Comprehensive Immigration Reform?** *Si.*
-  **Freeway toll-lanes?** *Absolutely not!*
-  **Label genetically modified food?** *Yes.*
-  **Vets' medical and mental health care?**
Damn straight. It's a sacred promise.
-  **Marijuana?** *Treat it like alcohol. No DUI, no open container, no sale or use by minors, but otherwise legal, taxed, regulated.*
-  **Enough gun laws already?** *Yeh, let's start by enforcing the ones we already have.*
